Please excuse _____ from school on **Friday, December 20, 2019** to participate in an educational school tour with Lake Superior Youth Chorus. Participation in this tour provides unique valuable experiential learning opportunities and is a required performance of our season. We value education, and have prepared our participating singers for this absence in order to continue to meet the educational expectations and responsibilities at school.

Please be in touch if you have questions, or if you would like our choirs to visit your school next year! Thank you for your continued support of our programs.

Jenna M. Kelly

Executive Director

Lake Superior Youth Chorus
